RE: Rulemaking Hearing – November 15, 2012

Board Member
Veronica Gutierrez, D.C.

Dear Ms. Conroy,

Board Member
Curtis Fedorchuk, D.C.

Persuant to your state's open records/Freedom of Information law we requested several documents related to the November 15, 2012 Rulemaking Hearing regarding Proposed Rule 7 (C) – Injectables.

Regarding one of those items: **Confidential Memo from the Attorney General's Office** – you stated in response that the letter is confidential due to attorney-client privilege and is not a public document.

In response, we have the following questions:

1. Who holds the privilege? Board members? Board staff?
2. Under what specific law is the material not subject to public disclosure?
3. Who made the determination that the memo may not be released to the public?
4. How may this decision be appealed?

Please let us know if any additional information is needed to comply with this request.

Regards,

Matthew McCoy DC, MPH
